President's Message:

Welcome back Sea Shell Searchers!

We have had a great summer. I trust you did as well. We look forward seeing you all and catching up on your summer.

Several of us attended the Conchologists of America convention this summer in Tampa, Florida. It was well attended and there were many interesting programs as well as several new shell dealers at the bourse. Plans for next year's convention are already underway. We will be returning to the Sanibel area of Florida. We will have more information on this later.

I have communicated several times with Craig Latimer and he has several ideas for shell programs this year. I will let him share these at the club meeting. If you have any ideas about meeting programs please share them with Craig.

Darwin Alder has agreed to serve as our Field Trip Chairman this year. We will likely be joining the Houston club on several field trips this coming year. If you have any ideas for field trips please share them with Darwin.

I received an email from the shell club in Port Isabel this summer. I was surprised to learn that there was a shell club in that area that has been active since the 1960's. We will likely see if the club can meet them on our annual field trip to South Padre Island.

Other events that you will hear about at the first few meetings include our auction (Sept 18), exhibiting at the

Club Meeting September 7, 2004

Memberships are due!

Following the covered dish dinner we will have a short business meeting to cover the topic of a Club shirt.

The shirt committee consisting of Rusti Stover, Tina Petway and Janey Nill have been very busy this summer creating artwork to be used by club members.

Tina has created the artwork and Rusti has secured the shirts and an embroidery person.

Rusti will make a short presentation concerning the shirts. Basically if you are interested, you need to be prepared to pay for your shirt up-front at the September meeting if you want to wear it at the November Shell Show. There is a six week completion time.

These are very nice, classy looking shirts. Not T-shirts! The total cost per shirt will be around \$30.00.

Following this discussion, we will have installation of officers.

Sea Shell Searchers Shell Show
Friday, Saturday and Sunday
November 18, 19, 20, 2004
Lake Jackson Civic Center

Dear Sheller,

The Sea Shell Searchers announce our 2004 Shell Show. Our show this year will once again be held at the Lake Jackson Civic Center located at 333 HWY 332, Lake Jackson, Texas. The center is conveniently located near the freeway as well as hotels and restaurants.

This year we have been invited to participate in the City of Lake Jackson's annual Festival of Lights. Craft booths, food booths, carnival rides and entertainment are open Saturday as part of the festival. During the festival last year, the club held a shell exhibition. We had several hundred people view the show and are looking forward to having many visitors this year.

As in previous years, we will have dealers to tempt you to add new shells to your collection. There will be social events to renew acquaintances and make new shell friends. The Sea Shell Searchers Shell Show has proven to be a major event in shelling and we invite you to come and join us.

LaQuinta Inn in Clute has agreed to give our participants a discount. Their phone number is 979-265-7461 and you will need to mention that you are with the shell show to get the discount.

Please read the categories and rules that are included with this letter.

Our schedule for the show is:

1. Send entry forms to the Sea Shell Searchers, Brazosport Museum of Natural Science, 400 College Drive, Clute, TX 77531, by November 9, 2004. Space is limited this year; late applications will be accepted only if space is available.
2. Set up exhibits at the Civic Center, Friday, November 18 beginning at 8:00 a.m.
3. Judging to begin at 3:00 p.m.
4. The Awards Dinner will be held Friday at 6:30 p.m. We are still planning the dinner and more information will follow.
